

LUNDAJAKTEN

Welcome to Lundajakten

- an escape room kind of city tour.

Lundajakten is a city tour where you think outside the box, use your sharpest eyesight, and wear your most comfortable shoes. Add the Lundajakten backpack and off you go.

Crisscross the city streets. Look for signs, solve the riddles, and unlock the pockets as you experience Lund and its 1000 years of history.

NB! Your smart phone won't help you this time.

*Made with love from two locals—
Malva and Anna.*
